If you scored 10-16 "Goin' Nowhere Fast"

Slow down, partner, you're staying put in the 21st Century with your own kind. The Cherokee lifestyle just isn't for you. But cheer up, you may do something awesome with your life, like inventing a new flavor of Doritos!

If you scored 17-23 "Check Yourself Before You Wreck Yourself"

Although you have some things in common with the Cherokees, you probably wouldn't last long in their society. But then again, you may not be completely 21st Century American either. Maybe you're better off starting your own society where you're the king!

If you scored 24-30 "Cherokee Champ"

Dust off your time travel moccasins! You're ready to live a nature-rific life with the corn-eatin', squeaky clean Cherokees! Have fun dancing a Booger Dance and sharing your food with your awesome grandparents!

What jobs did Cherokee have?

Cherokees believed that men and women should have very different jobs. What a woman did, a man would never do. What a man did, a woman would never do. This kept the balance in the world, they believed.

Jobs that women did:

**Planting and
Harvesting Food**

**Making baskets and
pottery to carry water
and food**

Jobs that men did:

**Hunting small animals
with a blow gun or large
animals with a bow and
arrow**

**Making canoes out of tree
trunks to travel down river**
