Youth Ambassador Program

Dear School Administrator,

Atlanta History Center has been hard at work to help break down barriers and unite Atlantans through history. Not only has our 33 acre campus undergone some exciting transformations, but we are also looking for meaningful, relevant, and engaging ways to fulfill our mission to connect people, history, and culture.

One of those initiatives is an exciting new volunteer program for high school students. Atlanta History Center is launching our Youth Ambassador Program to introduce students ages 15–19 to museums, historic houses, public gardens, and curation. This is a unique opportunity for students interested in not only museums, public gardens, and community outreach, but also for anyone looking to gain broadly applicable skills that have become a necessity for those entering today's professional workforce. Participating volunteers will be better prepared for a variety of disciplines, no matter their future career path.

Youth Ambassadors will primarily be stationed at the Atlanta History Center Buckhead Campus located at 130 West Paces Ferry Road NW, Atlanta, GA 30305, but will have opportunities to work at the Margaret Mitchell House located in Midtown at 990 Peachtree St NE, Atlanta, GA 30309. Enclosed please find information about the program, including a Frequently Asked Questions page and a copy of our application. We are currently accepting applications through March 1st.

Please distribute to any students who you think may be interested in this program. If you have any questions, please feel free to contact us.

Best,

Youth Ambassador Program

Dear Student,

Thank you for your interest in joining the Youth Ambassadors of the Atlanta History Center (AHC). We are excited about the participation of the Youth Ambassadors in AHC activities. The Youth Ambassador Program is a unique "education through service" program designed to attract a dynamic service-oriented group of young people who have an interest not only in helping the Atlanta History Center, but also engaging their community. Youth Ambassadors will gain experience in historic houses, administration, guest services, curation, public history programs, and much more. The program is open to 9th to 12th grade students (age 15–19). The program runs a full year from April to April. Students commit to one school year minimum of 50 volunteer hours through community outreach opportunities and AHC events. The mission of the Youth Ambassadors is to connect people, culture, and history by expanding historical knowledge, promoting discussion, and engaging Atlanta's youth.

As a Youth Ambassador, you will have the opportunity to participate in various events and activities throughout the year. Your involvement may include, but is not limited to, providing support for our Goizueta Gardens staff or Public Programs Departments, creating a fun yet educational environment for AHC visitors, and promoting awareness of the AHC and its purpose.

To be considered for a Youth Ambassador position, you will need to submit the following to volunteer services, volunteerservices@atlantahistorycenter.com or by post c/o volunteer services, no later than **April 15th**.

1. Youth Ambassador Application
2. School Recommendation Form and letter of recommendation from two academic sources
3. Letter of Interest/Personal Statement and Essay Questions

Youth Ambassadors will be required to make a minimum 1 school year commitment. Youth Ambassadors will also be expected to perform a minimum 50 volunteer hours, and/or support 4 key programs and high volume times (weekends). There is also a mandatory training and orientation session. Please make sure that you will be able to make time for these activities as participation is critical to your success and enjoyment of this interactive program.

We emphasize communication and consistency. We recognize High School students have several commitments and club activities, but ask that you take your position as a Youth Ambassador (YA) seriously. The Youth Ambassadors meet once a month (excluding December) and require attendance at all meetings. Two missed meetings with unexcused absences result in the YA's status to be moved from "Youth Ambassador" to "general volunteer." We expect YAs to communicate at least a week ahead of time if they are unable to attend a meeting or YA event. These expectations encourage a sense of responsibility and commitment to develop lifelong characteristics.

We look forward to meeting with you!

Regards,
