**WHEREAS**, pursuant to Section 2-182 of the Code of the City of Atlanta, the Mayor may issue executive orders which apply to events of short duration and which expire at the next meeting of the

City Council subsequent thereof unless ratified by a majority vote of the members present and voting;  
and

**WHEREAS**, like much of the world the United States, the State of Georgia, and the City of Atlanta are currently responding to an outbreak of respiratory disease caused by a novel coronavirus named “SARS-CoV-2” and the disease it causes named “coronavirus disease 2019” (abbreviated “COVID-19”); and

**WHEREAS**, on March 11, 2020 the World Health Organization declared the COVID-19 outbreak a pandemic; and

**WHEREAS**, on March 13, 2020 the President of the United States announced a national emergency in response to the COVID-19 pandemic, which included two emergency declarations: one under the National Emergencies Act and one under the Stafford Disaster Relief and Emergency Assistance Act; and

**WHEREAS**, on March 14, 2020 Governor Brian Kemp signed a public health state of emergency to address the COVID-19 pandemic through assisting health and emergency management officials across Georgia by deploying all available resources for the mitigation and treatment of COVID-19; and

**WHEREAS**, due to the COVID-19 pandemic, on March 16, I declared there to be an emergency in existence within the City of Atlanta pursuant to Section 2-181(a) of the City of Atlanta Code of Ordinances; and

**WHEREAS**, in furtherance thereof, on March 16, 2020 all City facilities, including City Hall and Municipal Court were declared closed to the general public until further notice, and City implemented a mandatory full telework deployment; and

**WHEREAS**, the Center for Disease Control (“CDC”) has issued guidance on the emerging and rapidly evolving situation of the COVID-19 pandemic, including how to protect oneself from this illness; and

**WHEREAS**, social distancing is recommended by the CDC to prevent the continued spreading of this illness in the community; and

**WHEREAS**, the CDC also advises that the use of masks or cloth face coverings will slow the spread of COVID-19; and

**WHEREAS**, on April 2, 2020, Governor Kemp signed an Executive Order to Ensure a Safe and Healthy Georgia (Governor’s Executive Order 04.02.20.01) to address the COVID-19 pandemic by implementing temporary actions necessary and appropriate to protect the health, safety, and welfare of Georgia’s residents and visitors; and

**WHEREAS**, subsequently, Governor Kemp issued a series of Executive Orders which amended and revised the temporary action necessary and appropriate to protect the health, safety, and welfare of Georgia’s residents and visitors, the last such Executive Order expiring on July 1, 2021; and

**WHEREAS**, nevertheless, because of the continuing negative impacts of the COVID-19 pandemic on the State’s economy, supply chain, and healthcare infrastructure, on June 30, 2021, Governor Kemp issued an Executive Order declaring there to be a State of Emergency in the State of Georgia and

ordering that all resources of the State of Georgia shall be made available to assist in activities designed to address this emergency and aid recovery and response efforts; and

**WHEREAS**, on February 24, President of the United States, Joe Biden issued notice stating that the national emergency declared on March 13, 2020, concerning the COVID-19 pandemic is to continue in effect beyond March 1, 2021; and

**WHEREAS**, pursuant to OCGA §38-3-28, the City is empowered to make, amend and rescind such orders, rules, and regulations as may be necessary for emergency management purposes and to supplement the carrying out of Articles 1 through 3 of the Emergency Management chapter of the Official Code of Georgia, but such orders, rules, and regulations shall not be inconsistent with any orders, rules, or regulations promulgated by the Governor or by any state agency exercising a power delegated to it by him; and

**WHEREAS**, on July 27, 2021, the CDC issued guidance pursuant to which it recommends that to maximize protection from the Delta SARS-CoV-2 variant and to prevent possibly spreading it to others, persons, including those who are fully vaccinated, should wear a mask indoors in public if they are in an area of substantial or high transmission; and

**WHEREAS**, the City of Atlanta is currently in an area which the CDC has classified COVID-19 transmission as “high” or “substantial”; and

**WHEREAS**, wearing a mask is important not only to protect oneself, but also to avoid unknowingly harming others, especially given that many people who go into public may have COVID-19 without knowing it because they have no symptoms; and

**WHEREAS**, requiring the use of masks is a targeted response that can combat the threat to public health using the least restrictive means, and if people follow this requirement, more extreme measures may be avoided; and

**WHEREAS**, in accordance with the City’s police powers and the authority granted to the City to enter emergency orders which are not in conflict with any orders, rules, or regulations promulgated by the Governor of the State of Georgia, I am hereby declaring there to be the existence of an emergency within the City of Atlanta pursuant to Section 2-181(a) of the City of Atlanta Code of Ordinances; and

**WHEREAS**, pursuant to this declaration, all City facilities including City Hall, shall be closed to the general public until further notice; and

**WHEREAS**, the closure of City facilities shall not apply to the Municipal Court, Lakewood Amphitheater, or Chastain Amphitheater; and

**WHEREAS**, additionally, pursuant to this declaration, persons within the jurisdiction of the City of Atlanta shall wear a mask over the nose and mouth indoors in public as described herein.
