Swan House Gardens

OVERVIEW

The historic 1928 Swan House Gardens is a perfect setting for your fairytale wedding. Three enchanting gardens give you more than one option. The ever-famous cascading Fountain Side, Boxwood Garden, and majestic Column Side are all unforgettable. The Swan House Gardens can only be used for weddings Friday through Sunday and the Fountain Side is reserved for ceremonies only. The Column Side can host a ceremony, cocktail hour, or an open-air reception.

It can be confusing to tell which side of the Swan House is the front or back, so we refer to the side with the four columns and two antique cars as the Column Side and the side with the large cascading fountain as the Fountain Side.

The Fountain Side lawn is closed for events due to lawncare mid-September to mid-October and again mid-December to mid-March; the Column Side lawn is closed mid-July to mid-August. Generally, when one side is closed, the other side is available. Each of the two sides of the house are allowed to be used for a wedding up to two times per weekend (Friday through Sunday).

Furniture is not included outdoors. All tables, chairs, etc. must be rented. Lighting is needed for events that run past sundown and must come from on of the approved AV vendors. To use the power out in Swan Gardens for a reception, there is a \$500 fee.

There is an additional \$750.00 bar set up fee for events with a bar in the Swan House Gardens.

The Swan House is a historic house museum; events and photography are only permitted outside.

Museum Terraces and Olguita's Garden

OVERVIEW

Immediately outside our Atlanta History Museum and Grand Overlook Ballroom resides the Museum Terraces and Olguita's Garden.

The Museum Terraces, an outdoor amphitheater, is a fantastic space to hold fashion shows, weddings, and receptions. Live music or a ceremony down in front with the backdrop of the Quarry Garden trees is sure to stun and entertain.

The intimate Olguita's Garden was designed to be in bloom throughout the year. A rich tapestry of flowering plants arranged to provide the billowing border style seen in English gardens. To supplement the flowering season of perennials and shrubs, there are annual plantings every spring and fall that bridge any gaps in floral sequence. These two spaces come as a pair and are an add-on to the Atlanta History Museum or Grand Overlook rental.

Should another client wish to contract the venue for the same date, the first client on hold must sign a contract and pay the rental fee in 48 hours to exclusively reserve the date. Otherwise the hold will be forfeited to the second client. Holds are a courtesy and do not guarantee the date is exclusively yours until a contract is signed by both parties. Dates on hold that are not booked with a signed contract may be relinquished for History Center events.

- There is a \$60.00 fee for a bounced check.

Final Floor Plan

- A walk-through with all involved parties is required at least three weeks in advance of the event.
- Final floor plan changes are due to the History Center three business days prior to the event.

- A soil moisture sensor on the Swan House fountain side determines when events can take place on the lawn based on how wet the ground is. To prevent damage, the lawn will be closed for events when it is at or above 32.8.
- The safety and wellbeing of our staff, you, and your guests, is of the utmost importance. To ensure a successful experience, weather conditions must be conducive to acceptable standards of safe event production. Some conditions may require alternate plans, or safety precautions, which may result in adjustments to the location of the event. Due to extreme heat and cold, outdoor receptions are only allowed March through June 15th and September 15th through November. Outdoor cocktails or receptions where there is any expected rain, or the temperature index (feels like temperature) will be 50 degrees or lower or 88 degrees or higher during any point between setup and breakdown will need to be setup inside.

Additional hours are available at \$300.00 each if needed. This does not include any additional hours of setup on the day of the event (billed separately). This also includes the black Model T being removed.
- Tents must be rented from Atlanta Party Rentals or EventWorks and can range from about \$35,000 to \$45,000. Furniture must come from the same company. Lighting must come from one of our AV vendors. Tents must be broken down and completely cleared by 2:00pm the day after the event. Overnight breakdown of tents after an event is not allowed.
- If the tent fee is not included in the original contract, the events department must approve setup and breakdown schedules 30 days prior to your event. We do not guarantee the day before or after for setup and breakdown, until the reservation is confirmed and this fee is paid.

Rental Equipment

- Rental equipment must be delivered the day of the event and picked up immediately following the event unless other arrangements have been pre-approved.
- If a stage is needed, it must be supplied by an approved vendor. Measures must be taken by all vendors to protect the floors from damage from their equipment, especially stages, rented bars, and dance floors.
- A power distribution unit is required for a 5-piece band or larger. One can be rented from the History Center for \$300.00 plus tax.
- All outdoor furniture, including bars, must be rented.

Photography

A police officer is required for proms, student organizations, events where amplified music is played outside, any event deemed high risk, and events where over 250 are in attendance. The Client is responsible for paying for these additional security needs.
- Weapons or illegal drugs of any kind are not permitted on property. If this is violated by any of your guests, the event will immediately be stopped!

- For prom or student events, one chaperone for every 25 students is required. The chaperones must be teachers, parents, or administrative personnel from the school.

Catering

The History Center reserves the right to refuse access to any caterer not on its approved list.

All catering services must be based in Georgia and provide:

- Proof of workers' compensation for their employees.
- Business License & Certification by the Health Department.
- Certificate of Liability insurance in the amount of \$1 million with the History Center named as additionally insured, Automotive Liability insurance of \$1 million, and Umbrella insurance of \$2 million.
- Signed History Center Event Guidelines

The caterer must comply with the following rules:

- Caterer must check in with History Center Event Manager upon arrival and check out with them before leaving.
- Caterers need to provide their own trash receptacles and garbage bags. All trash must be removed from the premises as the History Center does not have an on-site dumpster for catering use.
- A commercial dishwasher is not available. Used dishware may be rinsed and cannot be left over night.
- Caterers must clean the kitchen, including wiping ovens, stoves, and floors, leaving it in the condition it was found.
- Food may be warmed in the kitchen but cooking and frying are not permitted. Deep frying is allowed outside only, away from the building.
- Sauté stations are not permitted in the Museum due to the concern for our artifacts.
- The History Center does not have any outside task lighting. It is the responsibility of the caterer to bring the necessary equipment to provide adequate lighting for its staff during outside events and breakdown.
- All ice must be disposed of properly. Ice cannot be disposed of on lawns or in flower beds, only in sinks.

Public Relations

- The History Center does not publicize, display, or distribute any material relating to a rental event.
- Printed material relating to the event is subject to approval by the History Center.
- Keynote speakers must be approved in advance.

Decorations

- All decorations and signs must be freestanding. They cannot be hung on walls, from ceiling, from chandeliers, from the outside of any buildings, nor stapled, tacked, or taped to any surface.
- All floral brought inside buildings must be treated for insects. Floral and décor are not permitted in the historic houses.

- Helium filled balloons may only be used indoors by a licensed balloon décor company.
- Pyrotechnics, fireworks, sparklers, confetti, smoke bombs, or flares are not permitted inside or outside.
- Cold sparks, CO2 blasts/guns, dry ice, fog, or haze machines of any kind are not permitted inside. Incense and "fire ceremonies" are not permitted in the History Museum. Our smoke detectors are extremely sensitive. If a DJ or band cause the smoke detectors go off, there is a \$1,500 fine that is charged to the Client. The Client is responsible for making sure that any vendor they hire is aware of our guidelines.
- All items must be removed from the premises immediately following the event, unless otherwise pre-arranged.
- Touch-up painting of décor items is not permitted on

- our property. Building of décor items on-site must be pre-approved.
- Décor items such as, but not limited to, flower petals, flowers, or plants are not allowed in the fountains.
- Every sandbag must be checked on-site for leaks before being brought into any History Center building and must be inside a protective canvas bag.
- Banners or a large 25' by 13' American Flag may be hanging in the Atrium. These may be displayed or changed at any time without notice and cannot be removed.
- Holiday decor including outdoor lights and Christmas trees may be present November 1st through mid-January anywhere outside or in the History Museum (not in Grand Overlook).
- Due to window film, nothing can be taped to the inside of glass doors.
- To keep the air vents unobstructed, drape in the Grand Overlook ballroom cannot go above the soffit.
- If a drape is going across the entire kitchen wall, there must be baffles in front of the kitchen entries so that the entire wall of vents is not obstructed. A single line of drape across the kitchen wall covering vents is not allowed.
- We do not recommend draping across the entire kitchen wall for events over 175 guests. The drape covers a large portion of vents, and the room can get warm, especially if there is dancing.
- The window wall cannot be draped if the kitchen wall is.
- The complete width of a doorway must be accessible with no décor or drape setup in or through the doorway.
- History Center fire exit signs must be visible with nothing, including drape, obstructing them.
- Tables, bars, furniture, etc. cannot block any fire exit.
- Clients will be responsible for the cost for any unusual cleaning requirements or damage: removing stains on carpets, scratches or gouges to floors, walls, or doors, etc.

Outdoor Events

- Due to the local noise ordinance, all outdoor events must stop at 10:30pm. Any horns part of a band must stop at 10:00pm. Noise ordinance does not apply to indoor events.
- Due to Mother Nature, we cannot guarantee the condition of the grass and plants. Grass may be brown or bare due to season, plant disease, event traffic, etc.
- For the safety of your guests and to prevent damage to the grass, we recommend moving a ceremony on the Swan Lawn to an alternative location after heavy rainfall.
- Dance floors and platforms are not allowed on the Swan Fountain Side grass, raised stages are. For outdoor events on the Swan Column Side lawn, dance floors are permitted but cannot be installed until after 3:00pm May through September due to the heat.
- For summer weddings, it is recommended the ceremony start at 6:30pm or later with the cocktail hour indoors for the comfort of your family and guests.
- For outdoor events, if additional lighting was not arranged for, guests will need to move inside 20 minutes past sunset.
- Restrooms for events in the Swan Garden are a two-to-five-minute walk to McElreath Hall (restrooms are not available at the Swan House).

The client must inform their guests and vendors of this restriction.
- There are two antique cars parked on the column side of the Swan House spring through fall. They are permanent fixtures at that time. The black Model T can be moved to the side with two weeks' notice and a \$500 fee. The yellow and green Hudson cannot be moved.
- Due to tight turns, only shuttle buses of 35 passengers or less are allowed through the Swan gate. The History Center must approve of the transportation company you use at least two weeks in advance.

There is a \$2,000 partnership fee to use a caterer/restaurant not on our list. We require them to team up with one of our approved caterers. The approved caterers who would manage all aspects of dining except the food, including but not limited to, glassware, flatware, plates, linen, servers, buffet setup, etc. The fee that the approved caterer would charge for these services may be around \$60.00 per person. You then pay your caterer/restaurant for their chefs and food.

There are a few caterers not on our list that are permitted to offer full-service catering, that fee is \$3,500. All companies must meet our catering requirements found in the Event Guidelines with documentation and fee due 60 days prior to the event.
