State of Georgia
to
John Westmoreland

Grant - Dated September 26, 1825.
Registered same date in book "Henry 14" in office
of Secretary of State at State Capitol.
Grants Land Lot 108 of the 14th District of Henry
County, containing 202 1/2 acres.

Henry County was created by Act of the Legislature of May 15, 1821.
The 14th District of Henry County was assigned to Fayette County Dec. 24,
1821. On December 22, 1822, said District was assigned to DeKalb County.
On December 20th, 1823, said District was assigned to Fulton County.

Until the organization of Fulton County the records of property now
contained in Fulton County were kept at Decatur, the County seat of De-
Kalb County. In 1842 the Court House at Decatur was destroyed by fire and
nearly all of the records were burned. This probably accounts for the
break in the chain of this title, there being no deed of record from
little to any one and no deed from any one to Charner Humphries, who ap-
pears later to have owned this land lot.

Nevertheless, it is a matter of general knowledge that Charner Hum-
phries was in possession of a large body of land in land lots 107, 108
and 85, prior to the settlement of Atlanta. It is said that one Childress
owned this land lot and that it was sold by the Sheriff and Humphries
bought it at the sale. Lapse of time and adverse possession render this
break in the chain of title immaterial at this date. It is said that said
Sheriff's deed was dated March 3, 1835, and recorded June 21, 1862, in
book F, page 321; consideration \$732 and deed regularly executed. The
record book was stolen about 1881.

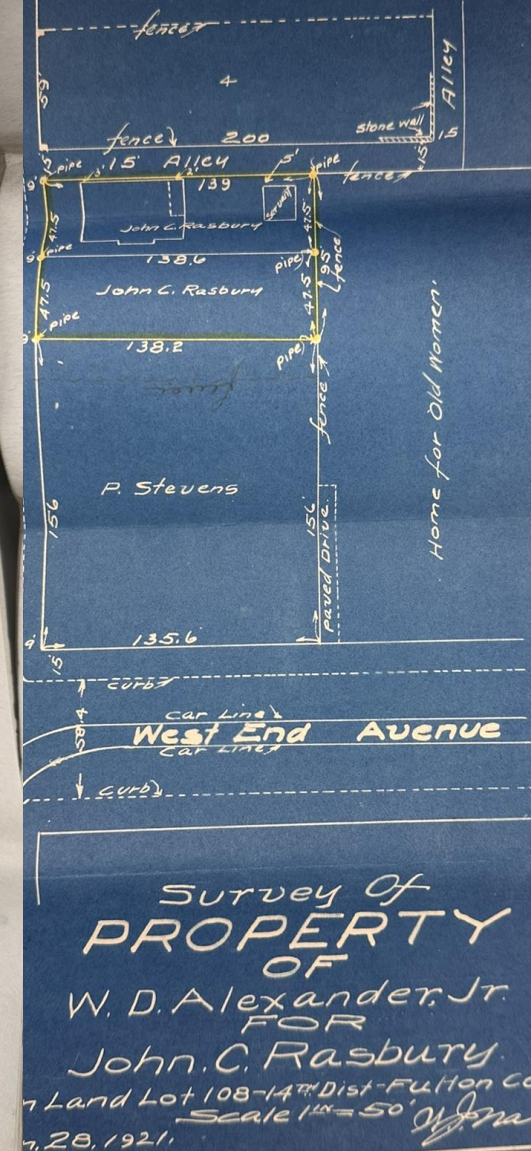

Charner Humphries died in 1855 and William Gilbert was appointed
administrator by Fulton Court of Ordinary at May Term, 1855. See Minutes
A, page 23. At August Term, 1855, of said Court an order was passed
granting leave to the administrator "to sell the lands and negroes of the
estate of the deceased"; (the purpose of the sale not being stated).

No oath or letters of administration recorded. The administrator
acted and made returns for many years. Bond of administrator recorded in
book of bonds, page 32.

William Gilbert as administrator of Charner Humphries laid off the
lands of the Estate in Land Lots 85 and 108 into three subdivisions to-
wit:

- (1) Bartlett's survey of Land Lot 85 and Southeast part of Land Lot
108.
- (2) Whitehall survey of lands South of the old race track (See
Coopers Map of Atlanta, 1868), made by the County Surveyor.
- (3) Subdivision of lands North of what is now Norcross Street and
West of Lee Street. Subdivided into six lots.

The administrator of Charner Humphries filed a sale bill recorded
on Sales A, page 186, showing sale of lot 2 of Land Lot 108 to B. N.
Williford for \$320. There is no deed of record, however, from the
administrator to said Williford or to any other person covering lot No.
2 of this subdivision. Nevertheless, it is a reasonable inference to be
drawn from the sale bill and from the fact that the administrator had
this land levied on and sold as the property of B. N. Williford and
Eli T. Hunnicutt, that the administrator sold lot No. 2 to said Williford
and Hunnicutt.

and no deed from any one to Charner Humphries, who appears later to have
owned this land lot.

Nevertheless, it is a matter of general knowledge that Charner Humphries
was in possession of a large body of land in land lots 107, 108 and 85,
prior to the settlement of Atlanta. It is said that one Childress owned

The lots are numbered from #1 upwards in all three subdivisions, thus
making it difficult to distinguish between them. Thus lot No. 3 containing
3.7 acres in the second or Whitehall survey was sold to Peter Huger (C.260).
But lot No. 3 in the third survey containing 10 acres, more or less (and
bounded South by ~~Norcross~~ Street, West by Ashby Street and North by West

ABSTRACT OF TITLE. TO PROPERTY OF W. L. TUNLIN AND J. W. TUNLIN DESCRIPTION

and in Land Lot Number 108 of the 14th District of Fulton County,
and more particularly described as follows, to-wit: Commencing
at side of Ashby Street two hundred and fifty (250) feet South
East corner of Ashby Street and West 2nd Avenue, and extending
East side of Ashby Street fifty (50) feet; thence turning East-
ward and seventy (70) feet to a ten (10) foot alley; thence
along said alley fifty (50) feet; thence West one hundred and

of the Streets of Atlanta as No. 84 Ashby Street.
