Swan House Gardens

OVERVIEW

The historic 1928 Swan House Gardens is a perfect setting for your fairytale wedding. Three enchanting gardens give you more than one option. The ever-famous cascading Fountain Side, Boxwood Garden, and majestic Column Side are all unforgettable. The Swan House Gardens can only be used for weddings Friday through Sunday and the Fountain Side is reserved for ceremonies only. The Column Side can host a ceremony, cocktail hour, or an open-air reception.

It can be confusing to tell which side of the Swan House is the front or back, so we refer to the side with the four columns and two antique cars as the Column Side and the side with the large cascading fountain as the Fountain Side.

The Fountain Side lawn is closed for events due to lawncare mid-September to mid-October and again January to mid-March; the Column Side lawn is closed July to mid-August. Generally, when one side is closed, the other side is available. Each of the two sides of the house are allowed to be used for a wedding up to two times per weekend (Friday through Sunday).

Ceremonies on the fountain side lawn require navigating steps. Guests unable to go down and up the steps with assistance from family may view the ceremony from the top of the steps. The column side is fully accessible.

DETAILS

Events at the historic Swan House are only held outside. There are no restrooms for events at the Swan House, restrooms are available in a museum building. For longer events that include cocktails a comfort station (trailer with restrooms in it) is recommended.

Furniture is not included outdoors. All tables, chairs, etc. must be rented from one of our approved vendors. Lighting is needed for events that run past sundown and must come from one of our approved AV vendors.

There is an additional $750.00 bar set up fee for events with a bar in the Swan House Gardens.

The Swan House is a historic house museum; events and photography are only permitted outside.

Tents: Please see our guidelines on page 15 for more information.

Museum Terraces and Olguita's Garden

OVERVIEW

Immediately outside our Atlanta History Museum and Grand Overlook Ballroom resides the Museum Terraces and Olguita's Garden.

The Museum Terraces, an outdoor amphitheater, is a fantastic space to hold fashion shows, weddings, and receptions. Live music or a ceremony down in front with the backdrop of the Quarry Garden trees is sure to stun and entertain.

The intimate Olguita's Garden was designed to be in bloom throughout the year. A rich tapestry of flowering plants arranged to provide the billowing border style seen in English gardens. To supplement the flowering season of perennials and shrubs, there are annual plantings every spring and fall that bridge any gaps in floral sequence. These two spaces come as a pair and are an add-on to the Atlanta History Museum or Grand Overlook rental.

Private Event Guidelines

The mission of the Atlanta History Center is to preserve and interpret Atlanta's history through its collections, educational programs, exhibitions, and research. We welcome the opportunity to expand our educational efforts by allowing use of the History Center for private events by individuals and groups (the Client). Such use must be consistent with the History Center's mission. Atlanta History Center cannot host political or controversial events, some sales events, and some religious events. The Client is responsible for making sure ALL their vendors are aware and agree to the Atlanta History Center Event Guidelines.

Please see our Rules of Civility on our website, designed to help ensure a safe and inclusive experience for all.

Events

- As a private organization, we reserve the right to decline or discontinue site tours or event bookings at our discretion if we feel the event's expectations or communication style are not aligned with our values or service standards. We deeply value respectful treatment of our employees just as much as we value delivering an exceptional experience for you and your event.
- The museum is open to the public until 4:00 PM, and museum guests may be present in public spaces until that time. Areas of the History Center that are not included in your rental may host other events during your rental period.
- The interiors of historic houses are for viewing only. They are not available for events, photography, weather plan, holding room, etc.
- Beverages are allowed in the museum galleries, food is not. Food and beverage are not allowed inside historic houses. Smoking and Vaping are prohibited in all buildings.
- Evening rentals inside must end at midnight, with the load out being completed by 2:00am or a fee of $500.00 per hour for each additional hour will be charged.
- Events receive 10 hours to be used for setup, the event, and breakdown. Additional time is $300 per hour. Any load in of 6 hours or more requires at least 3 hours of load out.
- The Goizueta Children's Experience is closed during private events.
- The History Center is not responsible for any items left, any lost or stolen equipment, or any other property belonging to the caterer, vendors, or client. We cannot guarantee that items left following the contracted load out time will not be accidentally taken, removed by the constant flow of vendors and contractors, or discarded.
- Additional guidelines may apply to events held on days of public programs.

Hold Policy and Payment Schedule

- We allow one date to be placed on a one-time courtesy hold for up to two weeks after going on an in-person site tour. Should another client wish to contract the venue for the same date, the first client on hold must sign a contract and pay the rental fee in 48 hours to exclusively reserve the date. Otherwise, the hold will be forfeited to the second client. Holds are a courtesy and do not guarantee the date is exclusively yours until a contract is signed by both parties. Dates on hold that are not booked with a signed contract may be relinquished for History Center events.
- The full non-refundable rental fee and signed contract are due within five business days of receiving the contract. All other charges, including but not limited to, beverage service and additional time, are due 14 days prior to the event. Any balance following the event is due within 30 days of the event.
- A refundable $1,000.00 deposit is due with the estimate prior to the event. The Client is responsible for any damage caused by its guests and vendors. This includes but is not limited to: scratches/marks to wall or floors, stains or damage to the grounds from vehicles, vendors not taking trash, excessive debris, damage to gardens, etc.
- There is a $60.00 fee for a bounced check.

Final Floor Plan

- A walk-through with the caterer, planner, and decorator is required at least four weeks in advance of the event.
- Final floor plan changes are due to the History Center five business days prior to the event.

Outdoor Events

- Due to the local noise ordinance, all outdoor events must stop at 10:30pm. Any horns part of a band must stop at 10:00pm. Noise ordinance does not apply to indoor events.
- The Swan Coach House Restaurant, near the Swan House Gardens, is a separate entity from the AHC. They may host outdoor events at the same time, and some noise may be heard.
- Due to Mother Nature, we cannot guarantee the condition of the grass and plants. Grass may be brown or bare due to season, plant disease, event traffic, etc.
- For the safety of your guests and to prevent damage to the grass, we recommend moving a ceremony on the Swan Lawn to an alternative location after heavy rainfall.
- Dance floors and platforms are not allowed on the Swan Fountain Side grass, raised stages are. Dance floors on grass on the Swan Column Side can only be installed after 3:00pm May through September.
- Due to the historic steps, chairs on the Swan fountain side must come from APR, LLL, or Party Bound. Outdoor staging must be provided by one of our AV or rental companies.
- For summer weddings, it is recommended the ceremony start at 6:30pm or later with the cocktail hour indoors for the comfort of your family and guests.
- For outdoor events, if additional lighting was not arranged for, guests will need to move inside 20 minutes past sunset.
- Restrooms for events in the Swan Garden are a two-to-five-minute walk to McElreath Hall (restrooms are not available at the Swan House).

Weather

- Outdoor events must include an indoor inclement weather plan. To ensure the safety and comfort of all guests, wedding ceremonies and other outdoor events are not permitted in the rain. Wet conditions can create hazards such as muddy grass, slippery steps, and bridge.
- Final decision on weather plans must be made when your outdoor rented furniture is delivered.
- If there is lightning or unsafe weather conditions, all guests and staff outside or under a tent will need to go into a nearby museum building (not historic house), for their safety for 30 minutes, or until it is safe to go back outside.
- A soil moisture sensor on the Swan House fountain side determines when events can take place on the lawn based on how wet the ground is. To prevent damage, the lawn will be closed for events when it is at or above 32.8.
- The safety and wellbeing of our staff, you, and your guests, is of the utmost importance. To ensure a successful experience, weather conditions must be conducive to acceptable standards of safe event production. Some conditions may require alternate plans, or safety precautions, which may result in adjustments to the location of the event.
- Due to extreme heat and cold, outdoor receptions are only allowed March through May 15th and September 15th through November. Outdoor cocktails or receptions where there is any expected rain, or the temperature index (feels like temperature) will be 50 degrees or lower or 88 degrees or higher during any point between setup and breakdown will need to be setup inside. Events held mid-May through September are especially susceptible to high heat and will most likely need to host the cocktail portion indoors.
- If the forecasted temperature index is below 40° any outdoor event, including ceremonies, must move indoors.

Tents

- A $8,500 fee is required for tent setup on the column side of the Swan House or the adjacent parking lot. This fee covers up to 24 hours of setup and breakdown (on the day before and the day after the event). Additional setup hours can be added at $300 each. This does not include any additional hours of setup on the day of the event (billed separately). This also includes the black Model T being removed.
- Tents must be rented from Atlanta Party Rentals, with costs ranging from $35,000 to $45,000. All furniture must also be rented from the same company, and lighting must come from one of our approved AV vendors.
- Tents must be fully dismantled and cleared by 1:00 p.m. the day after the event. Overnight tent breakdowns are not allowed.

- If the tent fee is not included in the original contract, the events department must approve setup and breakdown schedules 30 days prior to your event. We do not guarantee the day before or after for setup and breakdown, until the reservation is confirmed, and this fee is paid.

Rental Equipment

- Due to the historic steps, chairs on the Swan fountain side must come from APR, LLL, or Party Bound. Outdoor staging must be provided by one of our AV or rental companies.
- Rental equipment must be delivered the day of the event and picked up immediately following the event unless other arrangements have been pre-approved.
- If a stage is needed, it must be supplied by an approved vendor. Measures must be taken by all vendors to protect the floors from damage from their equipment, especially stages, rented bars, and dance floors.
- A power distribution unit is required for a 5-piece band or larger. One can be rented from the History Center for $300.00 plus tax.
- All linen and glassware, as well as outdoor furniture (including bars) must be rented.

Photography

- A photo shoot permit is required for all photo shoots that are not accompanied by a facility rental.
- When renting another venue at the Atlanta History Center aside from the Swan House Gardens, there is an additional $250 fee for pictures to be taken in the Swan Garden if the garden has not been rented by another client.

Security

- The History Center reserves the right to require or schedule additional security for events over 250 guests and any event of elevated priority. The Client is responsible for paying for these additional security needs. A student resource officer is required for proms.
- Weapons or illegal drugs of any kind are not permitted on property. If this is violated by any of your guests, the event will immediately be stopped!

Catering

- Catering must come from our approved list; caterers not on our list are not permitted. Our caterers are already aware of the following guidelines:
- Food may be warmed in the kitchen but cooking and frying are not permitted. Deep frying is allowed outside only, 25' away from the building.
- Sauté stations are not permitted in the Museum.
- The majority of dining elements at a table (flatware, glassware, plates, linens, etc.) must come from an AHC approved caterer.
- For outdoor events in Swan Gardens, only one circuit is available for a small oven, located either on the Boxwood Porch or near the Swan House kitchen door. Gas ovens are recommended for larger ovens or additional heating.

Public Relations

- The History Center does not publicize, display, or distribute any material relating to a rental event.
- Printed material relating to the event is subject to approval by the History Center.
- Keynote speakers must be approved in advance.

Decorations

- All decorations and signs must be freestanding. They cannot be hung on walls, from ceiling, from chandeliers, from the outside of any buildings, nor stapled, tacked, or taped to any surface.
- To prevent bugs, all florals must be provided by a licensed florist. Homegrown flowers are not permitted.
- Live plants with root balls are permitted only inside the Grand Overlook and must be from our approved plant vendor. Due to boxwood blight, live boxwood bushes are not allowed inside or outside.
- All candle flames, including tapered candles, must be contained and be below the top of a glass container.
- Helium filled balloons may only be used indoors by a licensed balloon décor company.
- Pyrotechnics, fireworks, sparklers, CO2 blasts, confetti, smoke bombs, or flares are not permitted inside or outside.
- Cold sparks, dry ice, fog, or haze machines of any kind are not permitted inside. Cold sparks outside must come from one of our approved AV companies. Incense and "fire ceremonies"are not permitted in the History Museum. Our smoke detectors are extremely sensitive. If a DJ or band cause the smoke detectors to go off, there is a $1,500 fine that is charged to the Client. The Client is responsible for making sure that any vendor they hire is aware of our guidelines.
- All items must be removed from the premises immediately following the event, unless otherwise pre-arranged.
- Touch-up painting of décor items is not permitted on our property. Building of décor items on-site must be pre-approved.
- Décor items such as, but not limited to, flower petals, flowers, or plants are not allowed in the fountains.
- Every sandbag must be checked on-site for leaks before being brought into any History Center building and must be inside a protective canvas bag.
- Banners or a large 25' by 13' American flag are hanging in the Atrium. Large marketing, furniture, and artifacts may be throughout the museum and added or changed at any time without notice and cannot be removed. You are in a History Museum!
- Holiday decor including outdoor lights and Christmas trees may be present November 1st through mid-January anywhere outside or in the History Museum (not in Grand Overlook).
- Due to window film, nothing can be taped on windows.
- Drape in the Grand Overlook Ballroom must not extend above the soffit. A solid line of drape across the kitchen wall is not permitted. Drape baffles may be placed in front of the kitchen doors, provided they do not fully obstruct the vents. If the kitchen wall is draped, the window wall cannot be, as this would block too many vents. Restricted airflow can cause the room to become hot, especially during dancing.
- The complete width of a doorway must be accessible with no décor or drape setup in or through the doorway.
- History Center fire exit signs must be visible with nothing, including drape, obstructing them.
- Tables, bars, furniture, etc. cannot block any fire exit.
- Clients will be responsible for the cost for any unusual cleaning requirements or damage: removing stains on carpets, scratches or gouges to floors, walls, or doors, etc.
- Custom built bars and stages must be approved in advance.

Vendors

- In an effort to protect our historic property and ensure seamless execution of your event, all vendors not on our vendor list must be approved by the Atlanta History Center before signing their contract.
- Vendors may only deliver and pick up items within the contracted hours for the event. Early arrival on property before contracted time or staying past load out time will result in an additional hourly rate billed to the client at $500.00 per hour.
- Breakdown must occur immediately after the event. All trash must be taken with, including boxes, floral, etc.
- Bands requiring alcohol in their green room, will not be permitted here.

Weddings

- Birdseed, grass seed, confetti, streamers, silk flower petals, glitter, salt, or rice are not allowed inside or outside. Biodegradable confetti is not permitted. Bubbles and real flower petals may be used outside only.
- Wedding rehearsals must not interfere with events. We cannot guarantee that the rehearsal will take place in the same location as your ceremony.
- History Center staff are not responsible for coordinating the rehearsal, ceremony, or reception. We require a wedding planner with a minimum of "month of" service with a business license, insurance, and two assistants for all wedding ceremonies/receptions. The planner cannot be related to the family or be a guest of the wedding and must be approved by the History Center before you book them.
- Planners must be a separate company from the decorator. Planners are not permitted to offer décor services. Not all planners or decorators are permitted to work here. Any planner or decorator not on our Suggested Vendor list must be approved and sign our Planner/Decorator Guidelines to work an event here before you sign a contract with them.
- It is illegal for any member of the bridal party or anyone affiliated with the wedding to bring any alcohol onto our property. We are happy to arrange for beverages for the wedding party. Any alcohol found will be immediately confiscated and the History Center reserves the right to remove anyone who brings alcohol on site. The client must inform their guests and vendors of this. The client must inform their guests and vendors of this restriction.
- There are two antique cars parked on the column side of the Swan House spring through fall. They are permanent fixtures at that time. The black Model T can be moved to the side with two weeks' notice and a $1,000 fee. The yellow and green Hudson cannot be moved.

Due to the historic steps, chairs on the Swan fountain side must come from APR, LLL, or Party Bound. Outdoor staging must be provided by one of our AV or rental companies.
The above six companies are the only companies allowed to load in prior to contracted time with no additional fee.

LIVE PLANTS

Any live plant (trees, bushes, etc.) with a root ball are not allowed in the History Museum. Live plants are only allowed in the Grand Overlook and McElreath Hall from our approved plant vendor only. Root balls, even with the best of care, will sometimes contain bugs that will damage our artifacts.

Suggested Vendors

Suggested Vendors are very familiar with our property and policies. While you are not obligated to use them, we highly recommend their services.

A planner with a business license and insurance is required for all weddings. Any planner or decorator not on our Suggested Vendor list must be approved and sign our planner or decorator guidelines to work an event here before you sign a contract with them. Not all planners are approved to work here. Decorators not on our list will need to pay an additional $500 refundable damage deposit. Planner and decorator must be two separate companies. Planner/decor combos are not allowed.
